Title to property acquired by the contractor under this authorization shall vest according to the Special Provisions of the above contract. Orders placed for GSA stock shall be placed in accordance with Federal Standard Requisitioning and Issue Procedures (FEDSTRIP) as required by Subparts 101-26.2, 101-26.3, and 101-26.4 of Title 41 of the Code of Federal Regulations (CFR). Your FEDSTRIP Activity Address Codes for actions placed at the Bettis Atomic Power Laboratory, the Naval Reactors Facility, the Knolls Atomic Power Laboratory, and the Kesselring Site are 893637, 895546, 892377 and 892378 respectively.

February 9, 2009

Orders placed under Federal Supply Schedule (FSS) contracts shall be placed in accordance with the provision of the applicable FSS and this authorization (unless a copy was previously furnished to the FSS contractor) and shall contain the following statement:

"This order is placed under written authorization from \_\_\_\_\_ dated \_\_\_\_\_. In the event of any inconsistency between the terms and conditions of this order and those of your Federal Supply Schedule contract, the latter will govern."

GSA will not forward bills to contractors for supplies until after the supplies have been shipped by GSA. Receipt of billing is considered to be sufficient evidence of delivery to establish contractor liability and to provide a basis for payment. Accordingly, contractors are to make payment promptly upon receipt of billings as required by Section 101.2.103 of 41 CFR Subpart 101-2.1.
